SCIS Project Coordinators Meeting - 13 October 2015

The 2016 Project Coordinators Meeting of SCIS will take place between 10 and 13 October 2016 as part of the European Week of Regions and Cities in Brussels, Belgium.

In its second edition, the meeting aims to involve the smart cities and energy efficiency projects in the scope of SCIS actively into the development of the information system. The objective is to reach a common agreement on how to co-develop SCIS together and turn it into a solution-oriented platform which is built by and for the projects.
